

## What the critics have said about Tom Sheehan

*"Tom Sheehan is an artist that you need to know about...perfect for Adult Rock Radio...you have to hear this!"*

—John Schoenberger, Radio & Records

*"Just like the nightly news, Tom Sheehan delivers the absurdities and lies and straightup truths."*

—Album Network/totallyadult

*"Like a painter, Tom Sheehan uses his words and music to let you see the big picture. 'It's Only Love' is not your typical pop song, but that's what makes it stand out. But perhaps Sheehan's greatest gift is his ability to write without mincing any words. Don't over look this one."*

—Friday Morning Quarterback

*"Sheehan's cinematic approach to the music is what makes it [Film at Eleven] stand out. Each song is like a screenplay...well-crafted...melodic."*

—Gavin

*"Another standout...Sheehan has a gruff, weather-worn voice that is well suited for his world-weary look at life...ain't too shabby."*

—Performing Songwriter

*"...thinking man's adult contemporary music...an extended meditation on the things that plague post-modern times...an artist people need to know about."*

—Campus Activities Programming

*"Tom Sheehan is our mouthpiece...it rocks!"*

—LA Music Connection

*"Evocative songs...engaging...powerful!...Top 30 two months in a row!"*

—Cafe Music Network Magazine
